

Arrow Electronics, Inc.

Fact Sheet

ARROW COMPANY PROFILE

Arrow Electronics, Inc. is a global distributor of products, services and solutions to industrial and commercial users of electronic components and enterprise computing solutions. Arrow employs an expansive global network of more than 340 locations in 52 countries.

As a supply channel partner to original equipment manufacturers, contract manufacturers and value-added resellers, Arrow provides specialized services across the entire product lifecycle. With one of the broadest offerings in the electronics distribution industry through its more than 1,200 suppliers worldwide and a wide range of value-added services, Arrow helps customers reduce time to market, lower total cost of ownership and enhance competitiveness.

The company's products, services and solutions include materials planning, engineering and design services, demand creation, programming and assembly services, inventory management, financing and a comprehensive suite of online supply chain tools.
