MyArrow Arrow Services - Shipment Tracking

Knowing when your order is arriving is incredibly important. MyArrow allows you to quickly track your shipments so you and your team can stay up-to-date on all of your projects. All you have to do is log in to MyArrow, navigate to the correct order, and click track shipment!

How do I Track a Shipment?

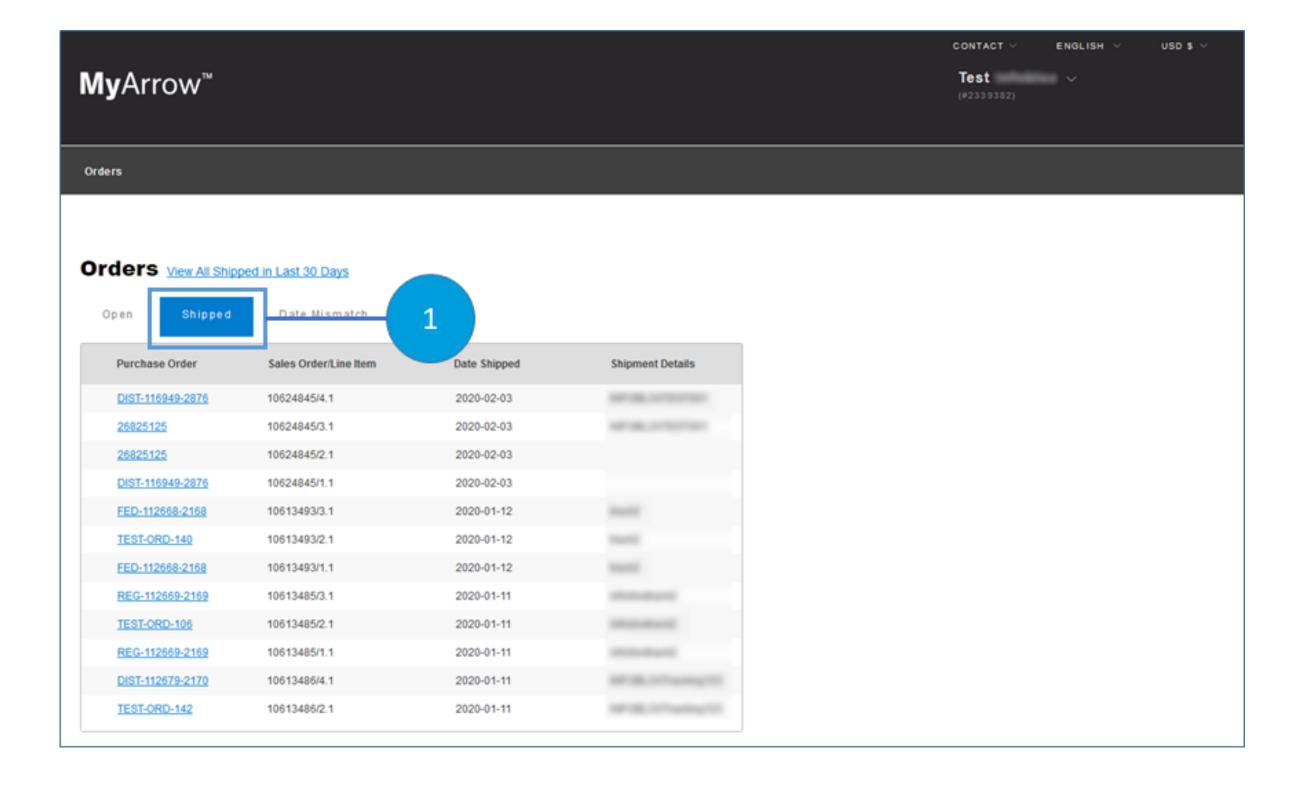

- Option 1 Track a shipment directly from your backlog
- Option 2 Track a shipment from within a purchase order

Option 1

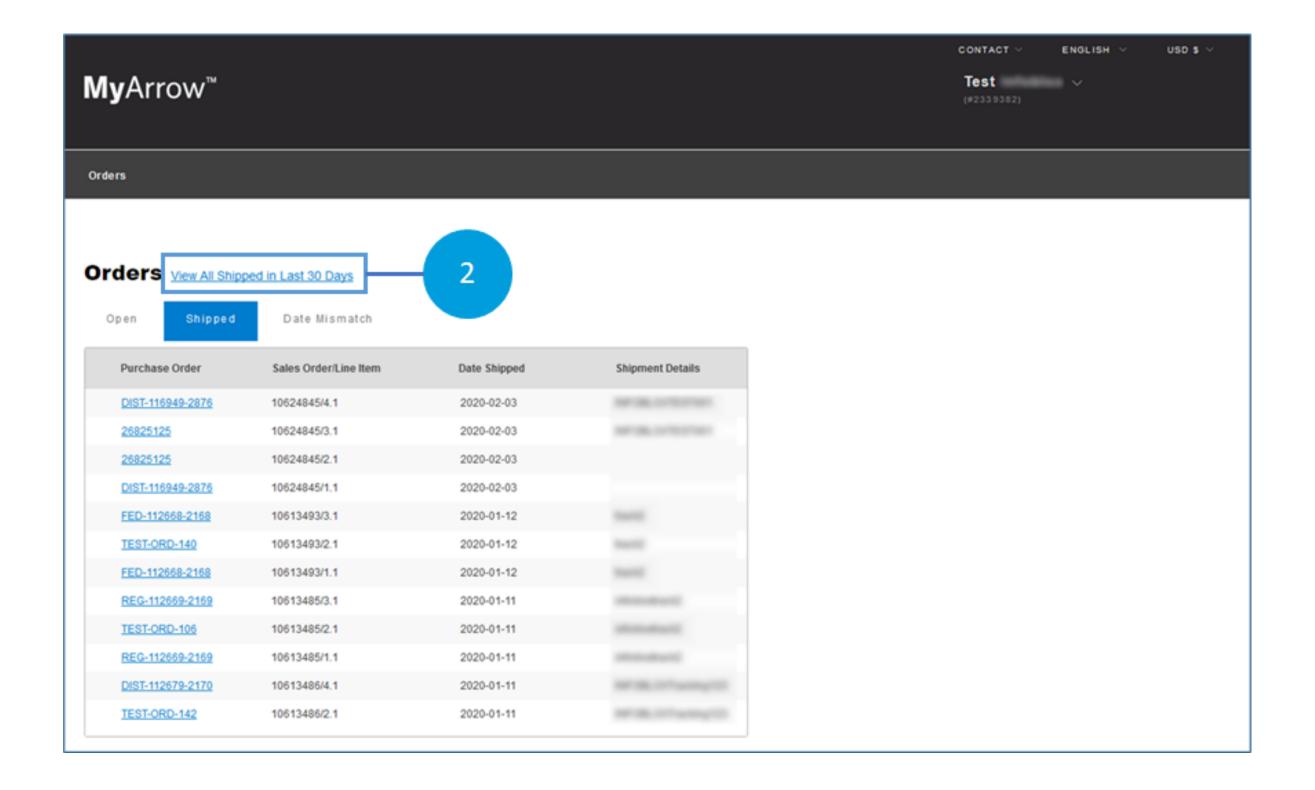

1. Select 'Shipped' under your orders preview

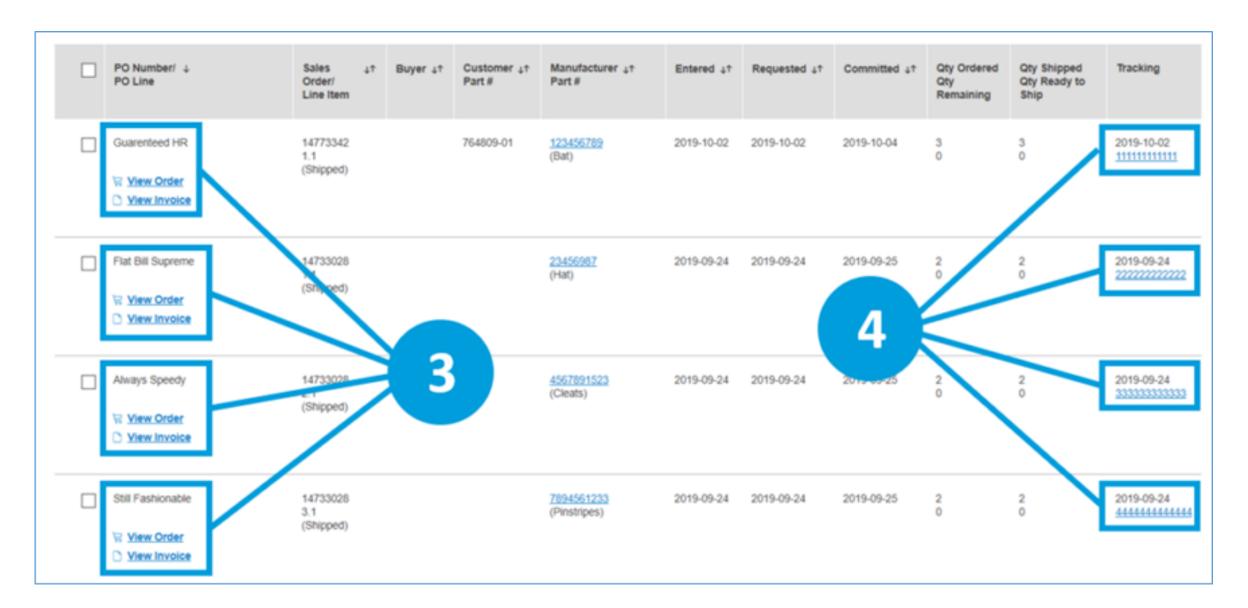

2. Click 'View All Shipped in Last 30 Days'

- 3. Choose the order you would like to track
- 4. In the Tracking Column click on the tracking number

Option 2

1. Within a purchase order click 'Shipment Tracking' or click the tracking number under the tracking column
